- (1) Value creation
- (2) Cost/feature of implementation
- (3) Impact on City business processes

In awarding stipends, the Working Group must determine that, if successfully implemented, the proposed innovation would produce at least the equivalent value of the stipend itself. This value may be expressed in saved time and/or money for the City, partners, or community members or demonstrable improvements to City services.

Once the Working Group awards a stipend, the CAO shall transmit to the Civil Service Department a form that contains:

- 1) The amount of the stipend
- 2) Employee(s) receiving the grant
- 3) The evaluation completed by the Working Group
